Preference will be given to applicants requesting an accessible unit in accordance with 24 CFR 8.27 and applicants requesting a unit and or transfer as covered by VAWA, Violence against Women Reauthorization Act of 2013. A transfer related to a reasonable accommodation can be requested verbally or over the phone, with the management office at the property. Your request will be considered, and the office will respond to your request, in writing, within 7 business days. Approval or denial will be sent in writing. There is no appeal process. Unit transfers do not require a new deposit to be submitted to hold the new accessible unit. Current unit deposit will be refunded if unit is turned over without damages. Unit transfers to a different building will require full certification for income eligibility. Unit transfers within the same building may be a trade of unit designation. *(Management maintains a separate transfer policy for residents wishing to transfer from one apartment to another.)*

WAIT LIST PROCEDURE:

Management will maintain a waiting list for all apartments in the property. The waiting list will be kept in chronological order, on an electronic form, according to apartment size. Current residents desiring to transfer to another apartment in accordance with the Apartment Transfer Policy may be placed on the open waiting list in the same manner as all other applicants except those with an eligible preference, see below.

It is our policy that preference will be given, under circumstances and with non-accessible apartments, to existing/current residents over any applicant on our waitlist for the following reasons:

- Residents requiring an accessible apartment, or
- Residents requesting a reasonable accommodation, or
- Resident protected under VAWA, or
- Residents' households needing to accommodate a family size increase/decrease.

PROCEDURE FOR PRIORITIZING APPLICANTS NEEDING ACCESSIBLE APARTMENTS

In accordance with 24 CFR 8.27 titled Occupancy of Accessible dwelling apartments: Management will adopt suitable means to assure that information regarding availability of accessible apartments reach eligible individuals with a disability and shall take reasonable nondiscrimination steps to maximize the utilization of such apartments by eligible individuals whose disability requires the accessibility features of the particular apartments. To this end, when accessible apartment becomes vacant, Management before offering such apartments to a non-disabled applicant shall offer such apartment:

- First, to a current occupant of another unit of the same project, or comparable projects under common control, having handicaps requiring the accessibility features of the vacant unit and occupying a unit not having such features, or, if no such

- occupant exists, then
- Second, to an eligible qualified applicant on the waiting list having a handicap requiring the accessibility features of the vacant unit.

Additionally, when offering such accessible apartment to an applicant not having a disability requiring the accessibility features of the apartment, Management may require the applicant to agree (and may incorporate this agreement in the lease) to move to a non-accessible apartment when available.

PROCEDURE FOR BEING PLACED ON THE WAITLIST

New Applicant/Current residents can ONLY be added to the waitlist when waitlist is open unless for a preference as listed above. An applicant/resident desiring to be placed on an open waiting list will be asked to complete a pre-application found on the property website or at the management office, which allows a tentative determination (subject to confirmation) of the applicant's eligibility.

The following information will need to be provided:

- Date the applicant's information was received
- Name of the head of Household
- Household size and characteristics
- Contact information-phone number, email, or other preferred contact method

TownePark Kingsland has apartments available at the 50% and 60% rent level and waitlist for these lower rent levels is available. If you qualify for an apartment at a lower rent restriction (see 50% and 60% income limits by household size) and you would like to be placed on an open waitlist for the next apartment in the size and rent level desired, please include that information in addition to the information listed above. As those apartments, in the size and rent level identified above become vacant, you will be notified in the manner described under the section of this policy **Notification of Apartment Availability from the Waitlist**. *This development prioritizes existing households over prospective applicants.*

Please Note:

- **TownePark Kingsland** cannot promise a possible length of waiting time as turn-over cannot be predicted.
- An applicant fee will not be charged/processed to an applicant placed on an open waitlist unless an applicant has been notified of an availability and desires to proceed with the application process.
- Disability status is **only** required if the applicant is requesting an accessible apartment or reasonable accommodation. Verification of the disability may be required under certain circumstances where the need of such request is not easily implied; no specific medical information need be submitted.

NOTIFICATION OF APARTMENT AVAILABILITY FROM WAITLIST

When an apartment becomes available, the Waitlist will be reviewed to fill the vacant apartment using the maximum income limits and household size as guidelines. Contact will be made via telephone and/or e-mail using the information provided to Management. The applicant will be notified of the expected date when an appropriate apartment will become tentatively available.

Once Management has contacted the applicant regarding the upcoming apartment availability, the applicant will have **five (5) calendar days to respond to management** as to a decision on moving forward with the application process. If the applicant refuses occupancy, he or she will remain on the waitlist, in chronological order, if desired. Should an applicant refuse occupancy **two (2) times**, the applicant will be permanently removed from the waiting list.

INTERVIEWING WAITING LIST APPLICANT(S)

An interested prospect, desiring to lease/pre-lease the available apartment, will be expected to come into the office to complete an application package and conduct an initial interview with Management within **two (2) calendar days from acceptance of an apartment**. Applicant will be subject to all screening material and other requirements noted in this Resident Selection Criteria consistent with all applicable laws, including the Texas and Federal Fair Housing Acts, the Federal Fair Credit Reporting Act, program guidelines, and TDHCA's rules. If eligible for occupancy, the applicant will be allowed **seven (7) calendar days** to turn in required documentation associated with the processing of the application from the date of acceptance of apartment. The available apartment will be held for a maximum of **fourteen (14) calendar days** for an applicant (from the time the apartment is vacant) to effective move in date of lease. If after this time, the approved applicant willingly cancels the application/move into the property, then the application will be cancelled. Additionally, the applicant will be permanently removed from the waiting list.

If the applicant is found to be ineligible, then written notification with specific reason for denial/rejection will be made within **seven (7) calendar days** of the determination. Upon denial, the next household on the waiting list will be notified immediately.

UPDATING WAITLIST INFORMATION

The applicant will be required to re-contact the office once every six (6) months to update personal information and must alert the office regarding a change of phone number, address, or household composition as it occurs. This contact must be completed by phone or in writing.

Management staff may contact applicants on the waiting once every six (6) months in the form of a phone call or e-mail (if provided) to confirm continued interest. If there is no response from the applicant within **seven (7) calendar days** (i.e., the e-mail is returned undeliverable, the phone number is disconnected, or a negative response is received) the applicant will be permanently removed from the waiting list without further notice.
